

ROCANLOVER

A Tribute to Zoé. A Celebration of Sound

About

ROCANLOVER is a collective of seasoned Los Angeles musicians brought together by a shared love for one of Latin America's most iconic alternative rock bands: Zoé. Noticing a gap in the local music scene—a lack of consistent live representation of Zoé's sound and spirit—these artists joined forces to form a tribute project rooted in passion and precision.

More than just a cover band, ROCANLOVER is a true homage to the sonic textures and psychedelic atmosphere that have defined Zoé's music. Named after Zoé's beloved 2003 album *Rocanlover*, the group blends members from various acclaimed projects to form something greater than the sum of its parts—much like Zoé's own evolution across albums like *Memo Rex Commander*, *Reptilectric*, and *Programaton*.

Since their debut in 2015, ROCANLOVER has built a grassroots following with powerful live performances that transport fans into the world of songs like "Love," "Soñé," "Labios Rotos," "Vía Láctea," and "Arrullo de Estrellas." Their shows are a celebration—a shared space for longtime Zoé fans and new listeners alike to reconnect with the music they love.

Having already made their mark across California and in states like Arizona, Nevada, Washington, Oregon, and Texas, ROCANLOVER continues to grow, one show at a time. Whether you're a die-hard Zoé fan or simply discovering their legacy, you're invited to be part of this movement—this family—at any of ROCANLOVER's upcoming shows.
